

Pay personal taxes from your bank account

- Use the following link: Direct Payment Link
- Select the reason for payment – choose **Balance Due**.
- Apply payment to – select **Income Tax – Form 1040**.
- Select the **tax period** you're making the payment for, then click **Continue**.

Verify your identity – Direct Pay will verify your identity using information from a previously filed 1040 return. From the drop-down menu, choose one of the listed tax years and provide the requested information from that year's return.

 **Tip:** If you don't already have an **ID.me** or **IRS Online Account**, it's easiest to set it up **on your phone**. The mobile setup allows you to take photos and verify your identity faster than on a computer.

Enter your payment information –

- Input and confirm the payment amount.
- Choose the payment date (the date you will receive credit for the payment, even if processing takes a few days).
- Optionally, enter your email address to receive a confirmation email.
- Click **Continue** and follow the remaining prompts to complete your payment.

Pay your taxes by debit or credit card or digital wallet
